Re: MUR 4594

Dear Ms. Bell:

This letter memorializes the conversation we had this morning regarding my letter to you of December 2, 1997. In that letter, I indicated that we had agreed that the scope of the subpoena will be limited to December 1992-present, with certain exceptions for which the scope is extended back to 1984. You have today asked that the scope for the interrogatories and document requests dating back to 1992 begin in November of that year, as opposed to December, and we have agreed. Moreover, in accord with the original terms of the scope of the subpoena, the scope for the interrogatories and document requests dating back to 1984 will begin in January of that year. Accordingly, CAL will produce responsive information and documents where such exist going back to November 1992 for Interrogatories 2, 3, 4, and 6 and Document Requests 1, 3, 4, and 7 and back to January 1984 for all other interrogatories and document requests.

Sincerely,

Margaret Ackerley
